

# Fixed Pole FP-LD-5.5M

## Description

Our fixed poles offer a simple yet cost effective solution for temporary or permanent installations where a lowerable pole may not be necessary. They are available in light, medium and heavy duty variants and are suitable for a variety of scenarios such as industrial and public access areas.

## Specifications

|   |                |
|---|----------------|
| Product code:                           | FP-LD-5.5M     |
| Pole height:                            | 5.5m           |
| Pole height (Inc. adaptor):             | N/A            |
| Weight (Inc. base):                     | approx. 37.4kg |
| Pole top diameter:                      | 76mm           |
| Maximum load capacity:                  | 12kg*          |
| Overall shipping dimensions (L/W/H mm): | 5500/265/265   |
| Wind Region:                            | A, B           |

\*Maximum load to be confirmed with engineering report from EZYpole
